Event Description

At 23:22 I went to the corner shop and grabbed myself some items from the place in the corner. Then a random man decided that it would be funny to squirt some orange juice in my face. I said are you dumb brudda and I decked the man in the face and said wagan my brudda and hes said is you stupid, you know who you talking to dog, do not make you get one one and two twos if I see you again

Emergency Response

Their was (a fire alarm, and natural gas leak). The outside service responder was the Fire Department, Police department, and Emergency Medical Services

Comments:

Here are my final comments for you and my freind liets goooooo we shall unite one day
